INVITATION TO EXHIBIT

SIGGRAPH is the world’s largest, most influential annual event in computer graphics and interactive experiences: Three days of commercial exhibits displaying the industry’s current hardware, software, and services, and five days of research papers, demos, and screenings featuring the community’s latest creative and technical achievements.
WHY SIGGRAPH?

The Exhibition attracts the leaders in the industry by consistently showcasing the latest innovations in computer graphics. These leaders come with the authority to buy. High-level executives, animators, game developers, engineers, artists, and others from around the world are expected to attend SIGGRAPH 2016.

Virtual and Augmented Realities Pavilion

The technology for augmented and virtual reality has shown greater functionality and has become more integrated into a myriad of industries. Building on the success of the VR Village in the conference program, SIGGRAPH 2016 will take the next step and highlight the organizations offering best solutions and latest products available in AR and VR. Exhibiting in this pavilion is your perfect opportunity to present and demonstrate the latest in AR and VR products and services to the SIGGRAPH audience.
